What to Do if the Clothes Take Fire.

Perkaps three prisons ant of four would son, make a morting of a capitar in the same, patient to bed, and do all that is possible to soothe until the physician arrives. Let the burns are deep, no other application is need, ed. The dry flour for burns is the most admirable remedy ever proposed, and the informa-tion ought to be imparted to all. The principle of its action is that, like the water, it causes instant and perfect relief from pain by totally excluding the air from the injured parts. Spanish whiting and cold water, of a mushy consistency, is preferred by some.

Links of a Chain.

The blast that drove the storm-cloud across he heavens shook the oak, and the scorn cup, cosened from its fruit, feil on the pathway. The cloud burst; a rain-drop filled the acorn-

A robin, wearied by the sultry heat of an autumo day, and troubled by the fory of the storm, hopped on the path when all was calm, gladdened he flew to his accustomed place in the ivy that overhang the poet's window, and there he trilled his sweetest, happiest cong.
The poet heard, and rising from his reverse, wroten chant of grateful rejoicing. The chant went forth into the world, and entered the

house of sorrow, and uttered its heart-stirring scoents by the couch of wickness. The sorrow-ful were comforted, the sick were cheared. Many voices praised the poet. He said :-The chant was inspired by the robin's song." "I should have sunk in the earth had not the scorn-sup received me," said the rain-
